Dear Union Leader:

This letter is to inform you of the 36th Annual Hall of Fame Central Labor Council, AFL-CIO/American Income Life scholarships.

Each year we offer four \$500.00 scholarships to four graduating high school seniors who are sons, daughters, or legal wards of a parent whose local union is affiliated and in good standing with the Hall of Fame Central Labor Council, AFL-CIO. Funds for these scholarships are provided by this labor council and American Income Life Insurance Company.

To apply for these scholarships, eligible graduating seniors must request, **IN WRITING**, an application from this labor council at the above listed address. Once the request is received, an application will be mailed out and the applicant will have until Friday, June 23, 2023 to complete and return it to this office. **No applications will be accepted after that date.** All returned applications will be reviewed by the AFL-CIO Education Committee and the successful applicants will be notified by letter.

Some of our former scholarship recipients donated back to our perpetual scholarship fund, which was created a few years ago by one of our former scholarship recipients. It was his intention that other former scholarship recipients would contribute to this fund to enable us to award an additional scholarship if funds provide. If any local union would also like to contribute to this perpetual scholarship fund, they may do so by sending a contribution to this labor council and reference it "scholarship fund".

Sincerely and fraternally,

Peggy Griffith, Education Committee Chair
